

## Medical Assistance in Nauru

***For a medical emergency in Nauru, dial 118 or 117.***

*Please note: The Department of State and U.S. Embassy in Fiji assume no responsibility or liability for the professional ability or reputation of, or the quality of services provided by, the entities or individuals whose names appear on the following lists. Inclusion on this list is in no way an endorsement by the Department or the U.S. government. Names are listed alphabetically, and the order in which they appear has no other significance. The information on the list is provided directly by the local service providers; the Department is not in a position to vouch for such information.*

Health care facilities in the Republic of Nauru are adequate for routine medical problems, but very limited in availability. Emergency response capability is extremely limited.
