

Medical Assistance in Tonga

For a medical emergency in Tonga, dial 911.

Please note: The Department of State and U.S. Embassy in Fiji assume no responsibility or liability for the professional ability or reputation of, or the quality of services provided by, the entities or individuals whose names appear on the following lists. Inclusion on this list is in no way an endorsement by the Department or the U.S. government. Names are listed alphabetically, and the order in which they appear has no other significance. The information on the list is provided directly by the local service providers; the Department is not in a position to vouch for such information.

Medical facilities are limited in Tonga, although they are adequate for minor problems. There are hospitals in Tongatapu, Ha'apai, and Vava'u. Consultations are free at public hospitals and health centers for Tongan citizens, but foreigners will pay a token fee for consultations and medicine. At private clinics, consultation fees vary from TOP\$10.00 to \$30.00.
